

Date & schedule **Thursday 14 November 2019**
 Registration open 09.30 – 15.30h
 Career fair open 09.45 – 16.30h
 Programme 10.00 – 15.30h

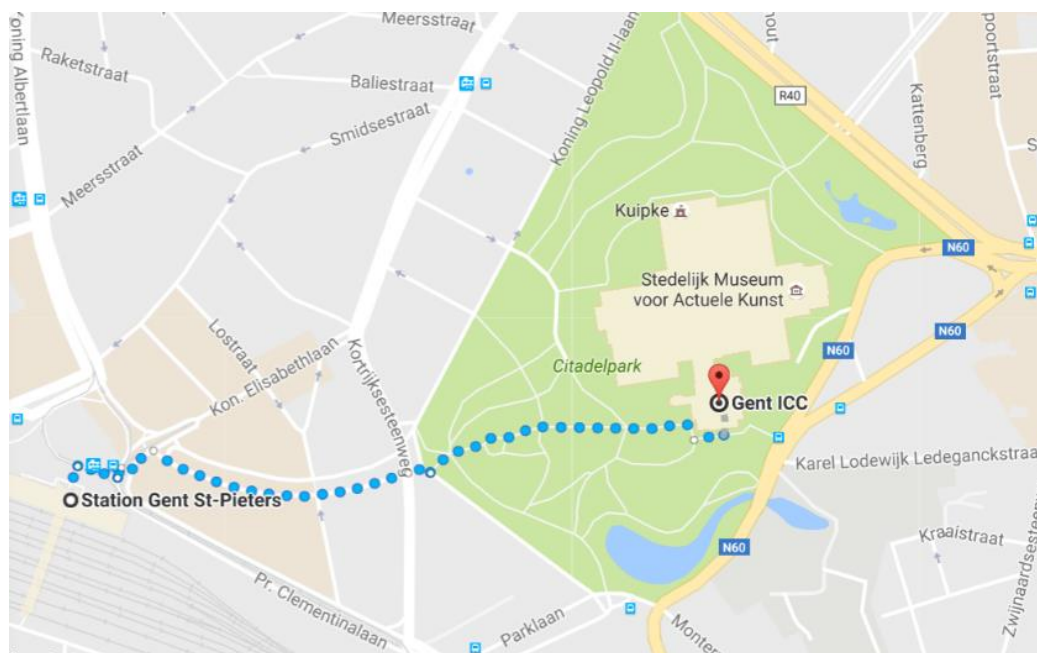

Location **Ghent ICC**
 Van Rysselbergheedreef 2
 B - 9000 Ghent
 Tel: +32(0)9242 8900
www.iccgent.com

Organisation Hyphen Projects
 T: +31(0)35 623 0781
 E: info@bcfcareerevent.be
 W: www.bcfcareer.be

Ticket On **7 November** you will receive your personal proof of registration via e-mail from the email address e.slot@hyphenprojects.nl. **Please bring this entrance ticket in print or digitally on your smartphone on 14 November. Or just remember your registration number.** If you haven't received it and you can't find it in your spam folder, please send an e-mail to info@bcfcareerevent.be before 13 November 11.00h. If you have received a confirmation email of your registration, but no entrance ticket, your badge will be placed on alphabetical order based on your family name. Please take the confirmation email with you for check.

Transport We advise you to come with public transportation to station Ghent-Sint-Pieters. From this station, it is a short ten-minute walk to Ghent ICC. See below for the map.

Do you wish to come by car? We advise you to park in the public parking lot underneath Sint-Pieters station or underneath Sint-Pietersplein. Please note! It is **NOT** possible to park underneath Ghent ICC, it is already fully booked.

What can you expect from BCF Career Event?

BCF Career Event consists of the following parts:

- **Career fair**

The Career Fair is the central meeting place of BCF Career Event. Here you can have personal contact with the different organisations in the sector. This can give you a good idea of the working atmosphere, the type of people in the organisation and the career opportunities at the various organisations. The floorplan of the career fair is included on page 6/7 of this document. More info about available [exhibitors](#) can be found online.

- **Programme**

BCF Career Event is not just a meeting place between talents and employers, but also a place to get inspired and to get insight in your possibilities and own potential. The programme starts at 10.00h and ends at 15.30h. With various sessions, workshops, discussions, pitches and employer presentations you can learn about career opportunities with top employers, improve your job application skills, get career tips from professionals with different positions, explore your career opportunities abroad and much more. The entire programme is in English. **Do not miss the unique keynote presentation from 10.00h – 10.50h of Tineke Van hooland!**

You do **not** need to pre-register for the sessions, but make sure you are present on time if you don't want to miss out on a session! Find an overview on page 8 of this document, and click [here](#) for more information about speakers and session abstracts.

- **Career Support (1st floor)**

During BCF Career Event you have the opportunity to consult professionals who can help you to take the next step in your career. This could be for instance by helping you to make the right choices, helping you to find vacancies that fit your profile, or by helping you to present yourself better towards employers. We have the following careers support services:

CV-checks (stand 60)

The first impression you make on a potential employer is very important. That's why your résumé is essential, because your résumé is your business card! Bring a printed copy of your CV and let your CV be checked by our experienced recruiters. Note! There are no printers available, so bring enough copies of your CV. **You can read the tips in [this article](#) for ideas and apply them to compose your own CV.** Please complete it before visiting BCF Career Event to get more targeted and personalised guidance.

CV-checks are very popular, and due to limited capacity, we unfortunately cannot guarantee that every participant gets a turn. In order to give the possibility to as many people as possible, we will use a numbering system, and each meeting will take approximately 7 minutes. If the demand is so high that CVs remain unchecked on the day itself, a limited number of CVs can be handed in to the recruiters at the end. These CVs will be checked later. Find [here](#) an overview of all organisations participating in the CV-checks.

Career coaching (stand 64)

In the 'Career coaching' section you can have a 1-on-1 talk with a career coach. Career coaching can help you with practical questions and choices about your career. In a conversation of around 15 minutes you can get individual advice from one of the experienced Career Coaches from Passion for Work. They will ask you questions to help you change your way of thinking; and offer you practical advice that can help you to make the next step in your career. Come early to stand 64 to schedule a meeting and make sure you will bring [this form](#) completed (see also page 10). No form, no talk. Visit the website for more information about the [career coaching](#).

Professional LinkedIn portrait photo (stand 62)

During BCF Career Event, you can have a LinkedIn portrait photo taken for only €8. You will receive the photo within 48 hours via email to use it directly for your LinkedIn profile and CV. Note! You can also get a professional make-up of [Beauty-Licious](#) additional to your photo (stand 71) for €10, or in combination with a photo for €16.

Professional make-up and advice (stand 61)

Beauty-Licious will give you advice on how to create a professional look for a job interview. You will get tips and tricks in a couple of minutes on how to do this, while a mini make-up is applied. You can choose to get advice and make-up for €10, or go for a combi deal of professional make-up and a profile picture of photographer [Danny Dedeurwaerdere](#) (stand 62) for only €16.

Information platform for international researchers (stand 63)

As a foreign national there can be a lot of issues to deal with if you wish to live and work in Belgium. At BCF Career Event you can receive practical information on what you should arrange when you would like to start a career in Belgium. At the Career Support, Euraxess is present to help you finding the information needed on your way. Maybe you have queries about work permits, visas or resident permits, about tax issues or social security and health insurance. Feel free to ask Euraxess for advice. As preparation you can already read up on relevant issues on www.euraxess.be.

- **Win free participation in BioBusiness Summer School 2020!**

Are you a Master, PhD or postdoc in Life Sciences and contemplating to make the step from the academic world into industry? Then this is your chance! Among the visitors of BCF Career Event 2019, we will raffle a participation spot for [BioBusiness Summer School 2020](#), worth €1,199. Hand in [the form](#) (you can also find it at page 9 of this document) at the booth, be present during the raffle at 3.30 pm and maybe you are the lucky winner!

The international BioBusiness Summer School will take place from 22th – 26 Juni 2020 in Amsterdam. More information and registration: www.biobusinesssummerschool.nl.

Tips for a successful visit to BCF Career Event

- **Decide which employers you wish to speak to**
Decide upfront with which employers you want to speak and check what vacancies they currently have. On the website you can see the [participating organisations](#) of BCF Career Event. Make a list of the employers you wish to speak to and make sure you talk to all these organisations before going home.
- **Draw up your own programme and be in time**
Which parts of the [programme](#) do you definitely want to attend? There is a limited number of seats available in the session rooms, so make sure you arrive in time, full is full.
- **Take your CV with you**
Make sure you bring **several printed copies** of your CV with you for interested recruiters. These copies are your business card. Only show the CV to the recruiters when they ask for it, or if it comes up in the conversation. Don't be too pushy. Have a look at [this article](#) for tips about composing a CV. You can also have your CV checked at the CV-checks.
- **Let companies scan your personal CV-card!**
All visitors who have uploaded their CV latest 7 November before 12.00h with their online registration or via BCFcareer/BCFjobs, will receive a unique CV-card by picking up their badge at the registration desk. Companies who have rented a CV-scanner can scan your card and download your CV right away on their laptop. So have your card scanned!
Not every exhibitor will use a CV-scanner, so bring also some printed copies of your CV along!
It is *not* possible to create a CV-card on-site.
- **Place your CV on BCF and register for the job alert**
Recruiters are also using our database proactively, so upload your CV before the event. Check out the instructions here: www.bfcareer.nl/post-your-cv.
Moreover, you can also register for the [job alert](#) of BCFjobs and receive new vacancies directly in your mailbox.
- **Remember who you have talked to**
Make notes for yourself who you have talked to, what you have discussed and what your thoughts were about the conversation. If you are really interested in an organisation, ask for the business card of the recruiter you have spoken to so you can contact him or her after the event.

- **Leave a good impression**

At BCF Career Event the recruiters talk to many people during the day. Make sure you leave a good first impression by looking representable. Dress as if you would have an actual job interview. Also [be aware of your body language](#). Make sure they remember you, it helps to add a profile picture to your CV.

- **Exchange information with other visitors**

Socialise with other visitors at the event and share information and ideas with them. Who knows, they could have valuable information about a vacancy or an employer of your interest!

Tip! also read this article: [How to get the most out of visiting BCF Career Event](#)
