

# BCF CAREER

MOVING COMPANIES FORWARD IN LIFE SCIENCES

## Talent Recruitment & Employer Branding Opportunities

[www.bcfcareer.nl](http://www.bcfcareer.nl)

## The largest Life Sciences career event since 2005!

If you're in need of top talent to fuel your business growth, BCF Career offers an unparalleled opportunity to connect with thousands of highly skilled job seekers. Our event attracts a diverse range of students and professionals in the field of Life Sciences (Bio, Chemistry, Food, Pharma). Exhibiting at BCF Career Event gives companies the chance to showcase their brand, network with potential candidates and promote job opportunities. With our strong reputation and extensive reach, partnering with us is a smart move for any business looking to recruit talent!

In every BCF Career Event edition, we welcome more than 1,000 participants.

## Upcoming BCF Career Events

- » BCF NL: 28 May 2025 - Utrecht
- » BCF BE: 27 November 2025 – Ghent

More information about all three events via: [www.hyphenprojects.nl/bcfcareerevent](http://www.hyphenprojects.nl/bcfcareerevent)

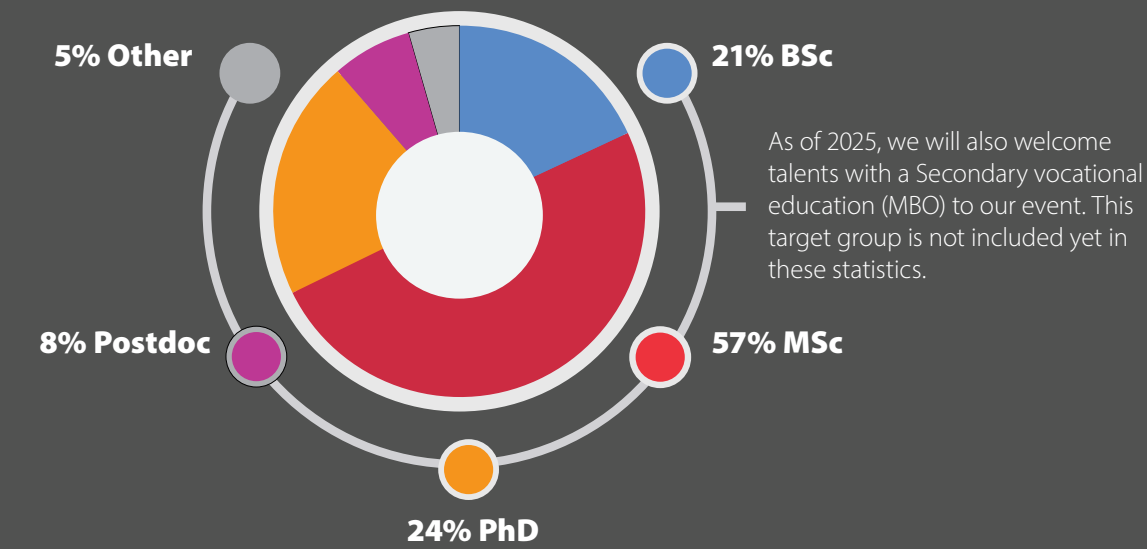

*"BCF Career Event is unique as it's the only career fair specifically tailored for the chemistry and life sciences sectors - our industry's niche. We have visited the BCF Career Event for each of the 20 editions and will continue to do so in the future."*

## Multiply your visibility by publishing in BiotechNEWS magazine

BiotechNEWS & Life Sciences is with a circulation of 6,000 in print and more than 8,000 online, the magazine that provides the Dutch Life Sciences sector with sector news and keeps you informed of the latest developments and interesting trends. Each new edition will contain a HR section where you can put your organisation in the spotlight.

The BiotechNEWS magazine will be distributed among all attendees and exhibitors of BCF Career Event. Most packages of BCF Career Event include a publication in this magazine to maximize your reach!

Download the latest [magazine here](#) or visit the [website](#) for more information.
